Christchurch Kindergarten Teachers' College 'Official photos' 1969-1974

This is a small selection of photos from this folder which was taken to Christchurch Teachers' College by the then Principal Audrey Haggitt in 1974. This was when kindergarten training shifted into teachers' colleges. Audrey Haggitt was appointed to the staff of Christchurch Teachers' College. In 2011 the folder was returned to Kidsfirst – Canterbury Westland Kindergarten Association by Lynda Boyd , a later Director of Early Childhood at the College and a past president of NZK. Not all photos in the folder are dated but most of the year groups are there.
